(b)(6)

Dear Mr. Cook:

This letter is in response to your Freedom of Information Act (FOIA) request dated June 1, 2016, received in U.S. Fleet Forces Command (USFF) on June 9, 2016, and assigned case file number USFF 2016-52-007083. In your letter you request a copy of any/all medical or psych evaluations, after action reports, unit correspondence, and command reports that relate to your service while in Iraq between September 2004 and February 2005.

Unfortunately, USFF is not the proper authority to process your request. However, in an effort to assist you, consultations were made with Navy Personnel Command, U.S. Marine Corps FOIA office, Bureau of Medicine and Surgery, Navy Expeditionary Combat Command, and Naval Construction Group 2. None of those commands had any responsive records.

Secretary of the Navy Instruction M-5210.1 provides specific guidance on the retention and/or destruction of all official records. Most records are destroyed after three years, unless otherwise required by law to be retained. In this instance, we are unable to determine which office(s) would be likely to maintain the records you seek. In light of the above, we are closing the file on this request.

I am the official responsible for this determination. Please contact Ms. Linda Alvers at (757) 836-3630, or at linda.alvers@navy.mil, if you require further assistance regarding this action.

Sincerely,

J.E. HANZLIK, JR.
